

A decorative graphic on the left side of the slide, consisting of a network of white lines and circles on a dark blue background. The lines are vertical and horizontal, with some diagonal branches, and the circles are of varying sizes, resembling a circuit board or a neural network.

NORWEGIAN HEALTH INVESTOR NETWORK

PLATFORM OVERVIEW 08.09.2020

JEREMY MCCROHAN

NHIN VALUE PROPOSITION

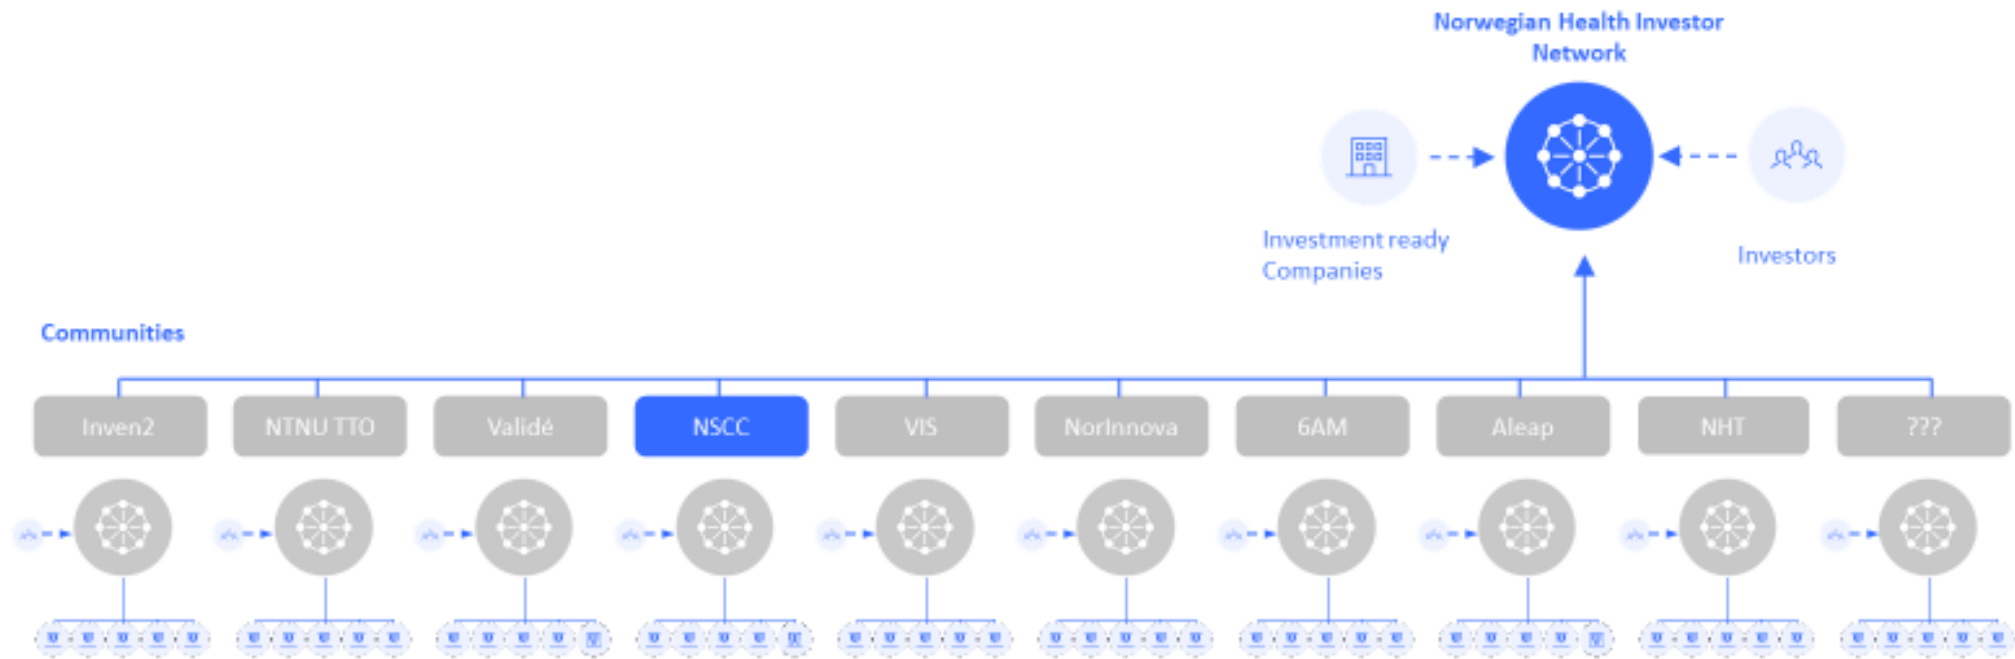

The Norwegian Health Investor Network aims to facilitate and stimulate investments within the health sector in Norway by *educating* investors and *understanding* their interests, *matching* them with relevant, quality opportunities (health-focused companies) and bringing like-minded investors together to finance investable healthcare opportunities.
