

# Fremtidens helsevesen. ●

- Hva er viktig fokus for de nye sykehusene? ●

# We offer expertise and resources for your specific needs

# With our dedication to innovation, we have been enabling healthcare providers for more than 160 years...

# Strong local presence in Norway

## **Vision for Siemens Healthineers:**

THE enabler of healthcare providers worldwide

## **In Norway:**

**Number of employees:** 120

**Main office:** Linderud, Oslo

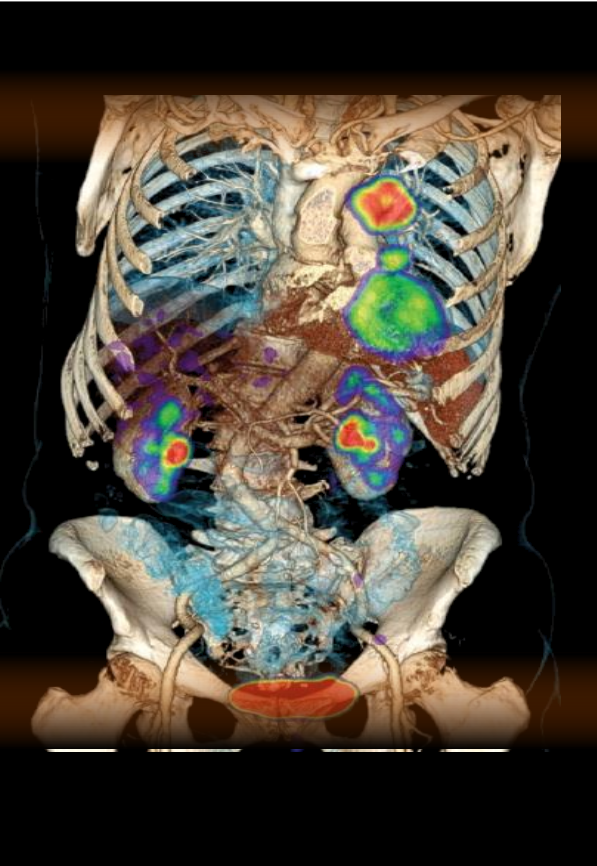

**Separate legal Entity:** Siemens Healthcare AS

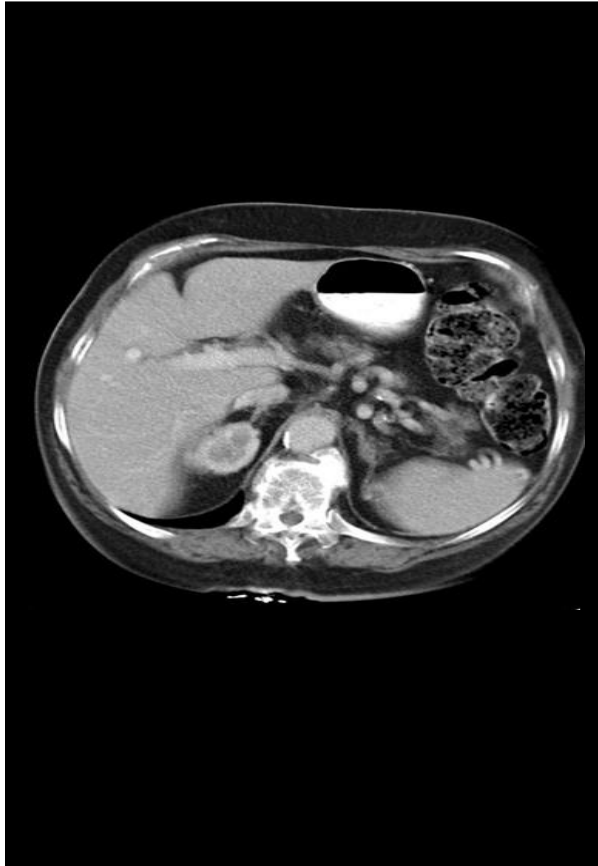

# Diagnostic Imaging

MI / PET

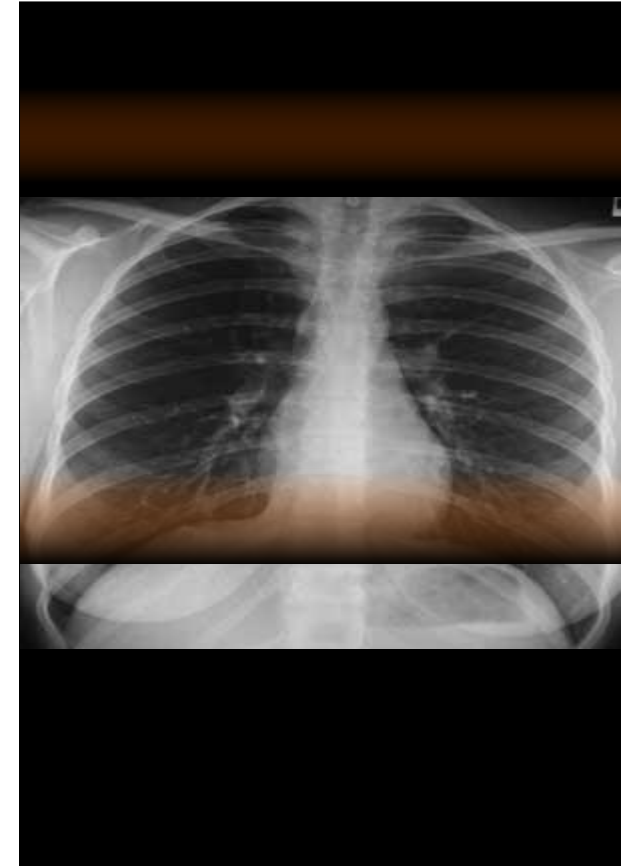

CT

MR

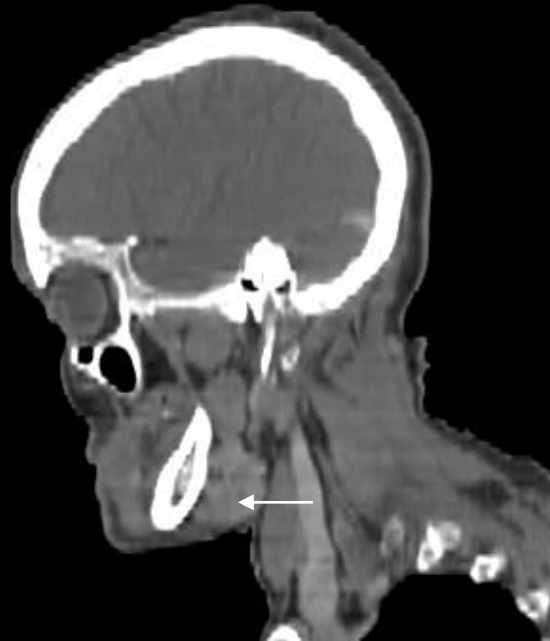

X-ray

# PET-Imaging: PET Can Detect Changes Earlier

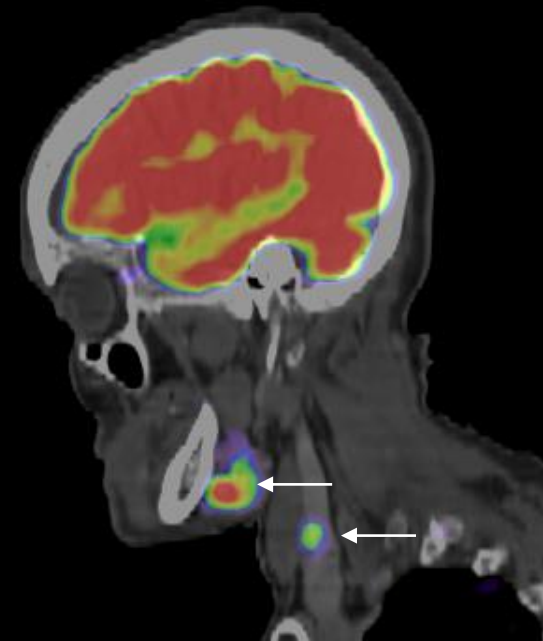

Other imaging modalities may not visualize the entire disease

## Primary Oral Cancer

Primary tumor seen on CT  
as well as PET/CT

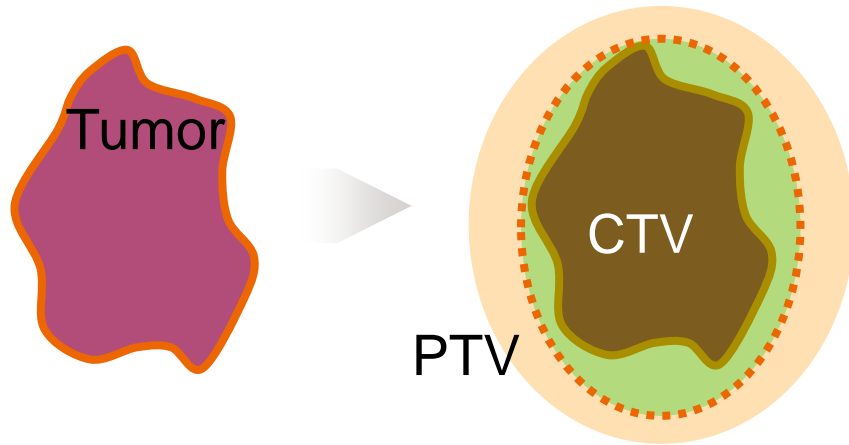

## Metastases

Small neck node metastases  
seen only on PET/CT

### Anatomy-based Planning

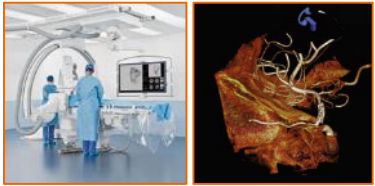

- Large margins are added to the clinical target volume
- Uniform dose delivery for the entire planning target volume independent of metabolic activity

### PET-based Planning

- Personalized planning allows for decrease of normal tissue dose with tighter margins for reduced side effects from RT\*

# Broad spectrum of clinical solutions

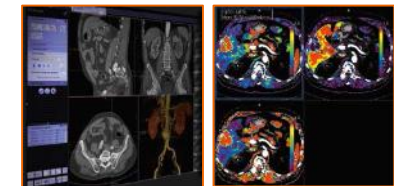

**Intervensjon**

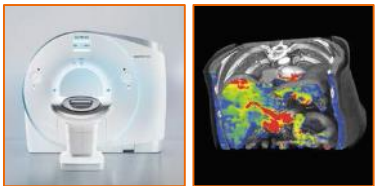

**Mammografi**

**Molekylære bilder**

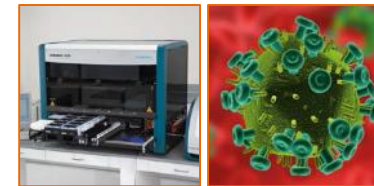

**Imaging Software**

**CT**

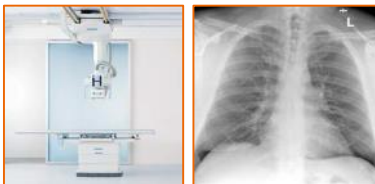

**Ultralyd**

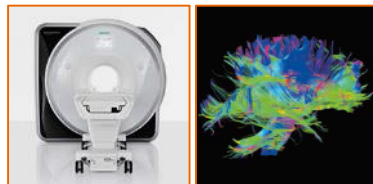

**Molekylær testing**

**Point of care**

**Røntgen**

**MR**

**Hemostase &  
hematologi**

**Klinisk kjemi**

## **Imaging**

Earlier diagnosis saves lives and reduces costs

## **Clinical IT**

Right information at the right time enables the best treatment and reduces costs

## **Minimally Invasive Therapy**

Reducing patient trauma and reducing costs

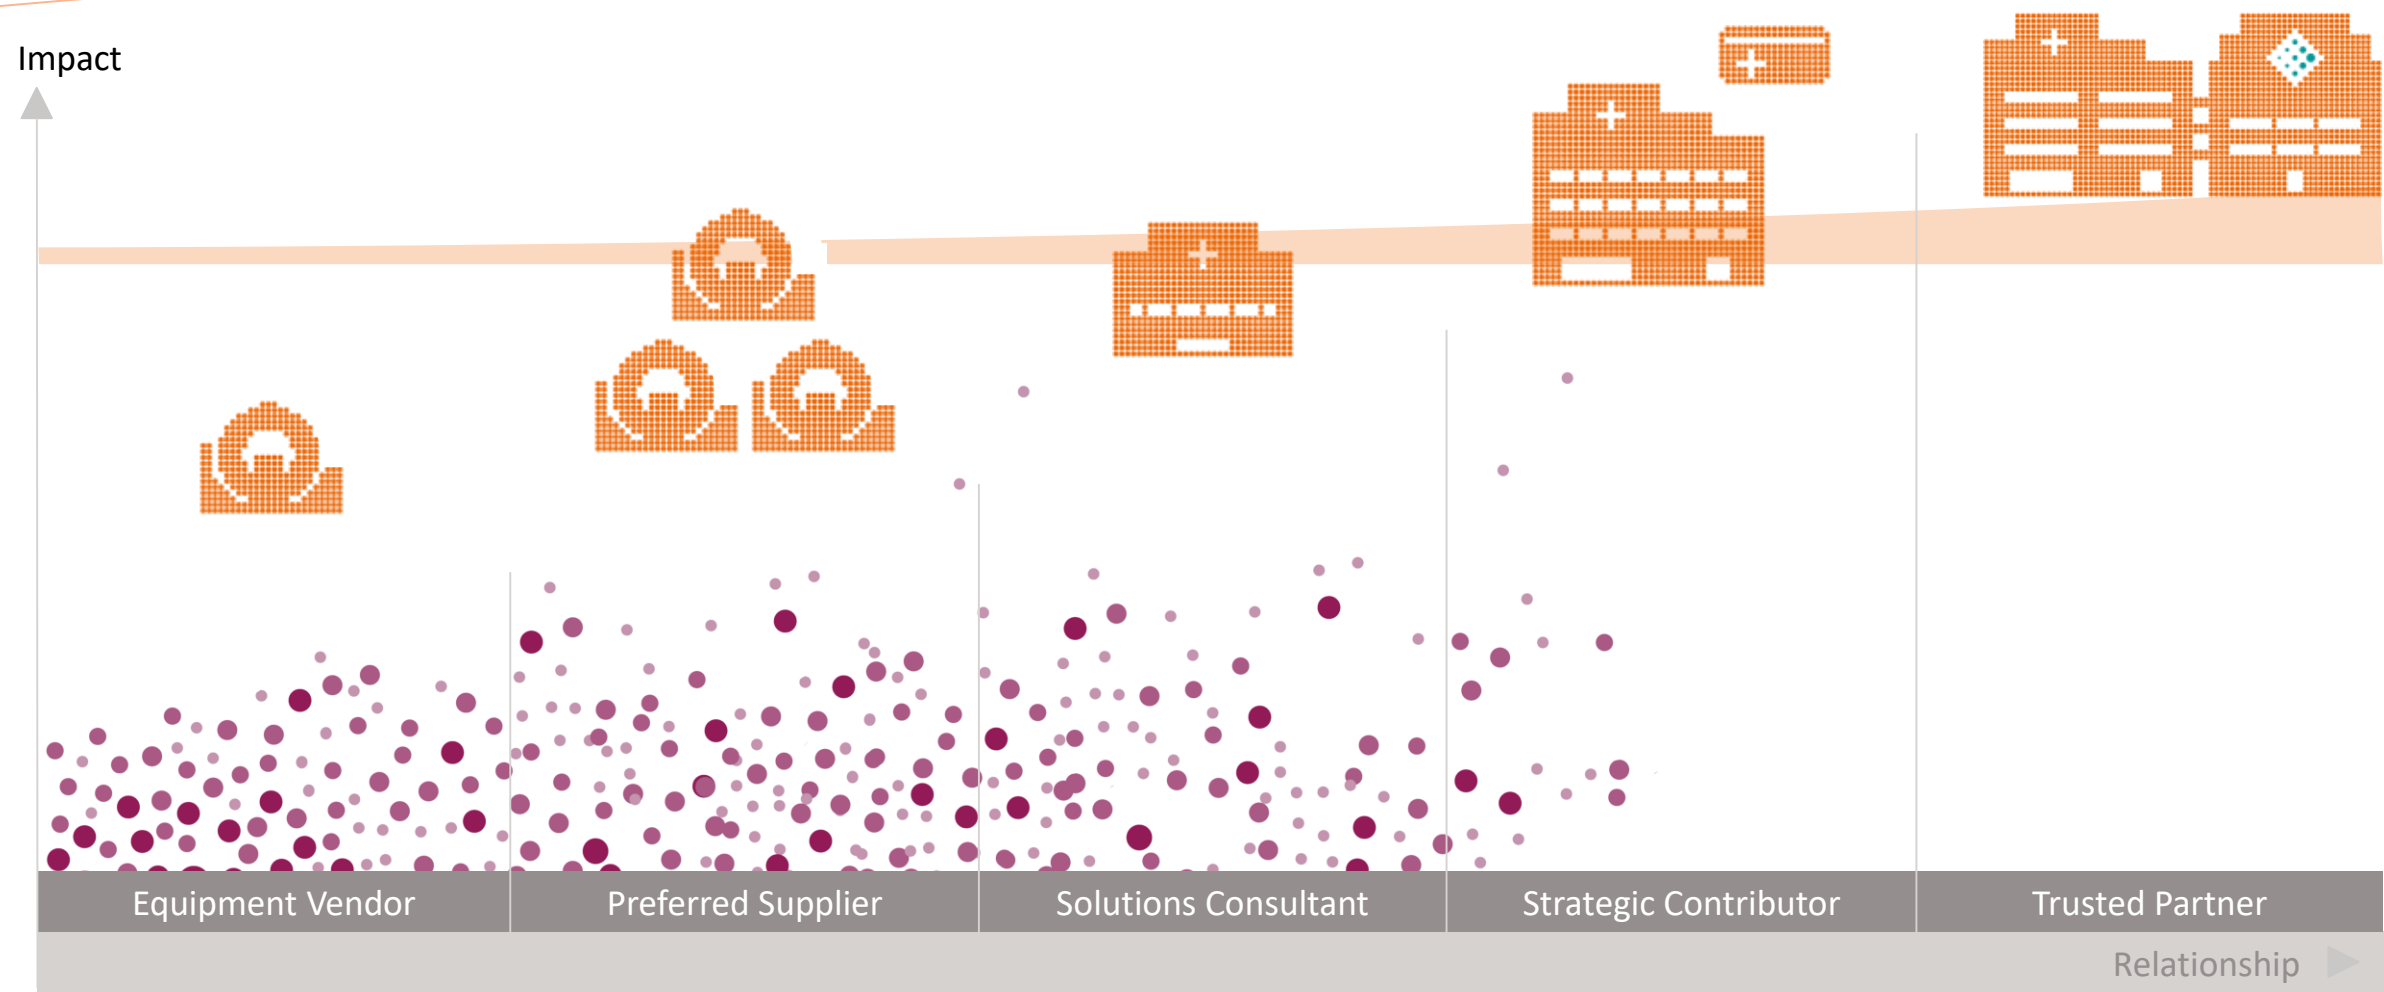

## **Managing Health**

Optimalization of workflow/ patientflow

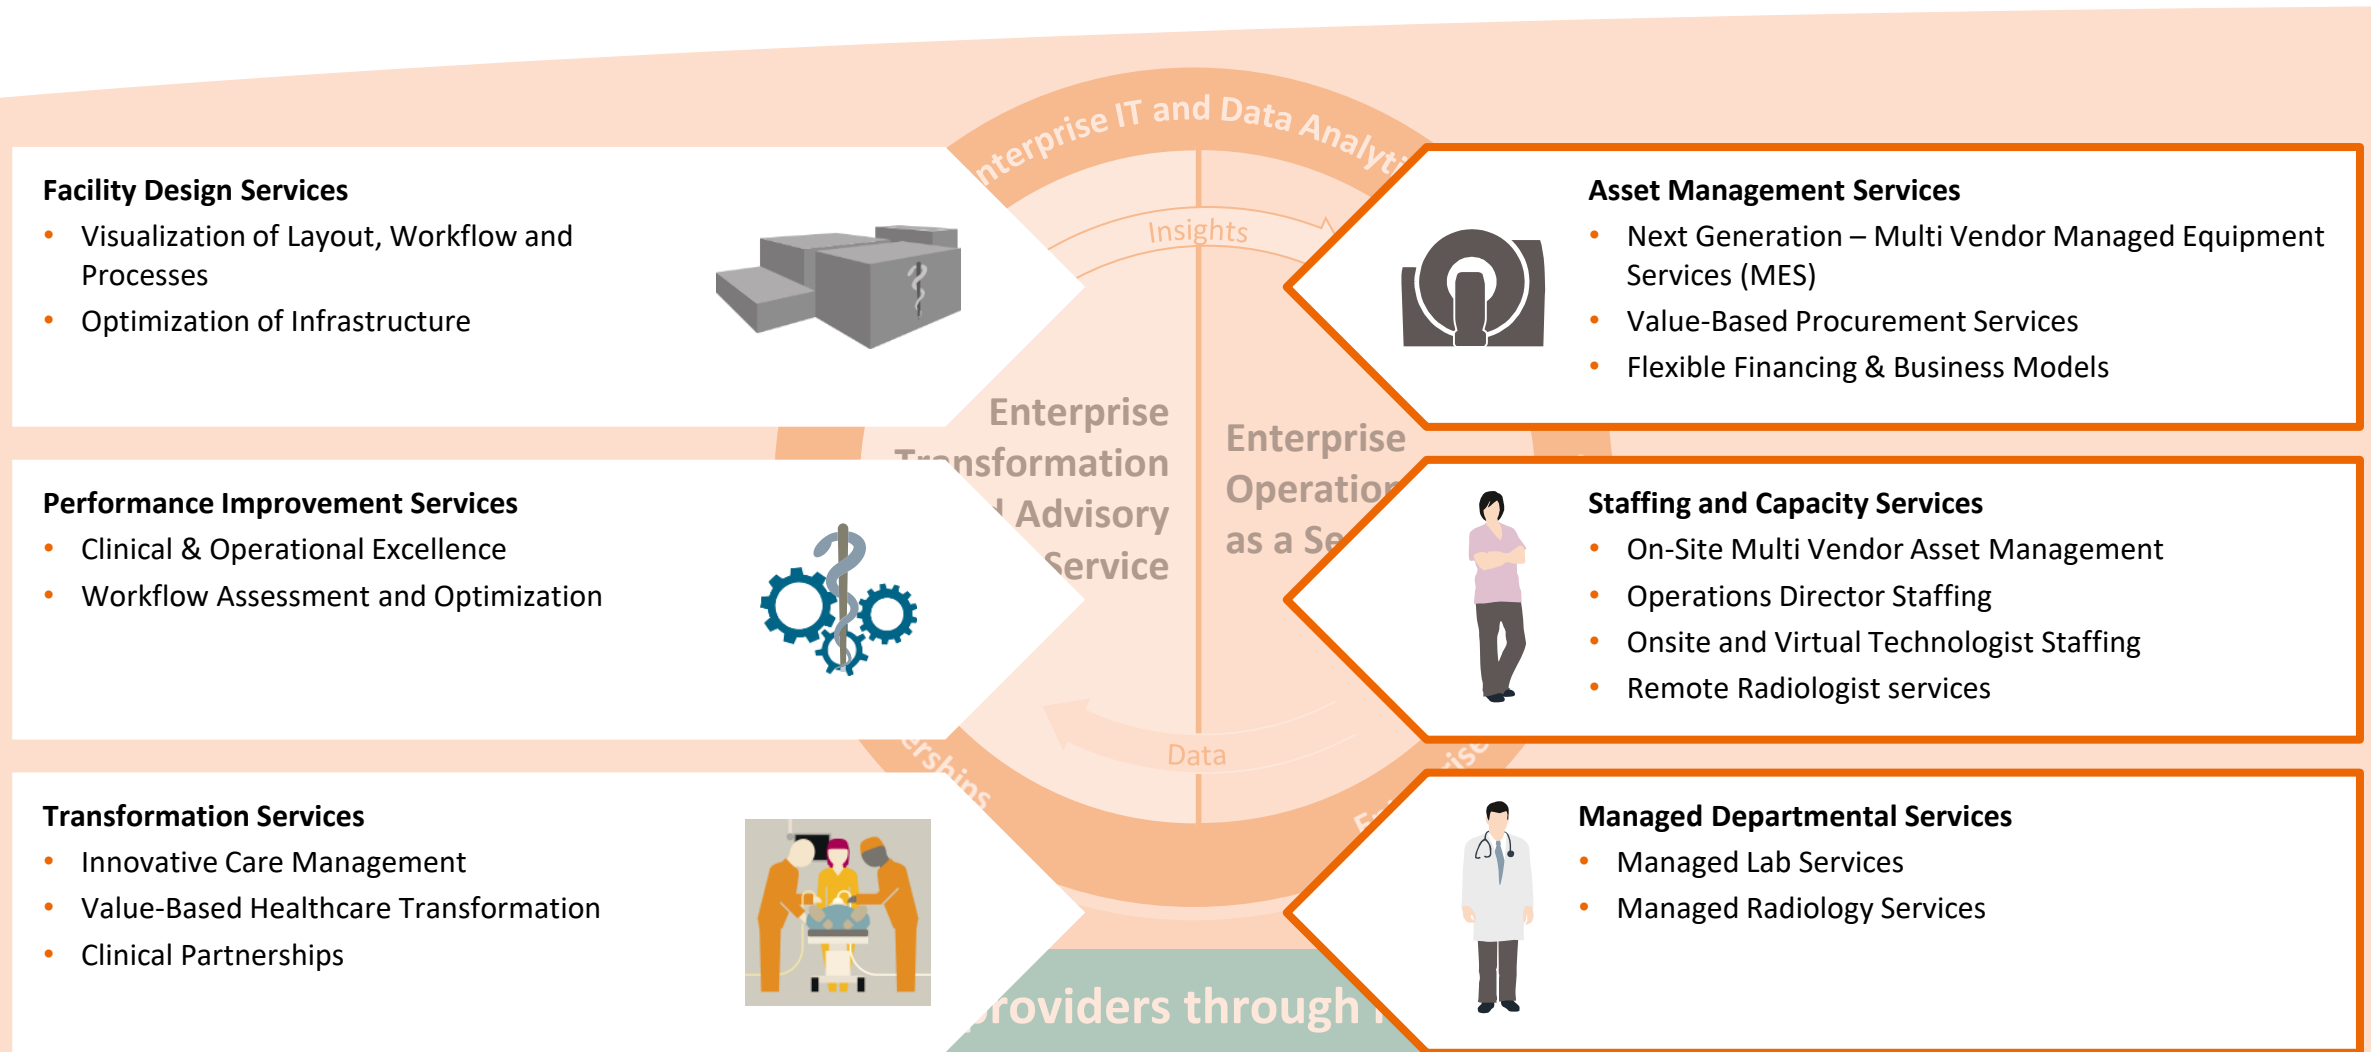

## **Molecular Medicine**

Preventing disease from happening and reducing costs

# Our goal is to evolve from a simple product vendor to a trusted partner

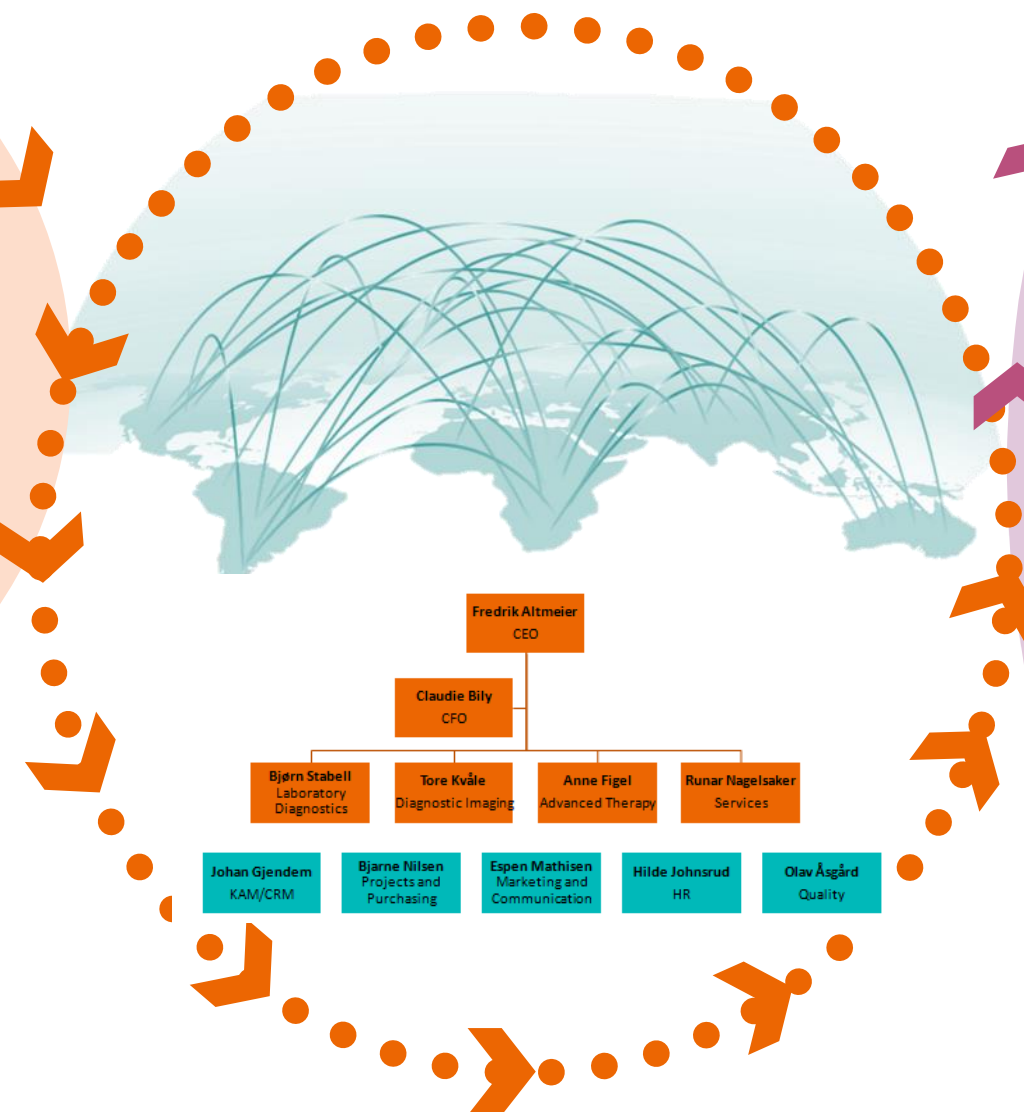

# ... with our symbiotic portfolio offerings

# Together – A Unique Network to Transform the Industry

- > Direct presence in **75 countries**
- > **4,400** research collaborations
- > All **U.S. News and World Report Honor Roll Hospitals** are Siemens Healthineers customers
- > **600,000** installed systems

Gives access
